Tijdens de plaatsing van de achterwand kun je een van de smalle deel even vast zetten met tape waarna je het brede deel makkelijker kunt bevestigen.

Afin de vous aider à fixer les dos plus facilement, vous pouvez fixer temporairement la petite partie avec du tape pendant que vous vous occupez de l'autre partie.

Um den Aufbau der Rückwände zu verbessern, benutzen Sie zeitweilig Klebeband für das kleine Teil zu halten während Sie das grosse Teil aufmontieren.
